Bachelor of Science in Computer Science
IQRA UNIVERSITY
2022 – 2026

PROFILE

A passionate and dedicated Web Developer with hands-on experience in building responsive and user-friendly web applications using HTML, CSS, Bootstrap, JavaScript, React, Firebase, and Python. Currently pursuing a Bachelor of Science in Computer Science and continuously improving my technical skills through practical projects, online certifications and self-paced learning. Strong interest in frontend development and creating efficient, visually appealing and scalable web solutions.

PROJECTS

Cryptography Simulator
12/2025 – 01/2026
Interactive learning tool for classical ciphers with step-by-step encryption/decryption using Streamlit.
Live: https://ciphers-cryptography.streamlit.app/

Sticky Notes
App Simple note-taking web app with create, update, and delete features using JavaScript.
GitHub: https://github.com/Ahmed-Raza-90/sticky-notes
